1. The Wyoming Public Service Commission (Commission) hereby gives public notice in accordance with W.S. § 16-3-103 (1977 as amended) of intent to adopt a new rule and regulation. The proposed new rule will be adopted pursuant to the rule making authority of the Commission and Wyo. Stat. §§ 37-17-101 through 37-17-105.
2. Section 318 of the Wyoming Public Service Commission's Procedural Rules and Special Regulations is being proposed because the 2007 Wyoming State Legislature enacted Wyo. Stat. §§ 37-17-101 through 37-17-105, and specifically under Wyo. Stat. § 37-16-103, which establish a process by which Wyoming RECs may become exempt from retail rate regulation. The Commission previously enacted the following rules: Rule 319. Rate Changes to Maintain Minimum Cash Flow Requirements for RECs; Rule 320. Nontraditional Regulation for RECs; Rule 321. Rate Change Applications under Nontraditional Regulation; Rule 322. Effective Dates for Expedited Filings; and Rule 324. Pass On Procedures for RECs. 3. The adoption of this new rule, Section 318, allows the Agency to relate the non-applicability of several Commission Rules to Rural Electric Cooperatives (RECs) that become exempt from retail rate regulation under Wyo. Stat. § 37-17-103.
4. The Commission welcomes all comments and suggestions on this new rule and regulation. Written comments must be received by the Commission no later than **October 15, 2007**.
