INTEGRATED RESOURCE PLAN (IRP) TECHNICAL CONFERENCE

The Commission will conduct a technical conference to discuss issues related to integrated resource planning by Wyoming utilities, including current and historic practices, impact of IRP proceedings in other states on Wyoming consumers, trends and developments in IRP requirements and practices in other states, the experiences of utilities and other interested parties with the IRP processes utilized in other jurisdictions, and potential revision of PSC practices. All interested parties are encouraged to attend and participate.

An "Integrated Resource Plan" (IRP) is a recurring planning process undertaken by a public utility to identify the preferred mix of supply and demand-side resources that will meet projected customer demand, provide service reliability and resource diversity at the least cost.

For additional information or to make arrangements to participate by telephone, please contact Chris Petrie, (307) 777-5763.

Notice of Interest Rate Set

The interest rate provided for in Section 241(c) and Section 504(f)(iii) was set October 31, 2007, in Docket No. 90090-2-XO-07. The interest rate is 6.31% per annum for the period of January 1 through December 31, 2008.

NOTE: The interest rate provided for in Section 241 is incorporated by reference into Rule Section 250, Electric, Gas, and Water Public Utility Commodity Balancing Account as a

Basis for Periodic Pass-On Filings, when a utility charges or collects interest on any over- or under-collected balance in an authorized Commodity Balancing Account.

Notice of Intent to Adopt Rules and Regulations
Docket Number 90000-100-XO-07

1. The Wyoming Public Service Commission (Commission) hereby gives public notice in accordance with WYO. STAT. § 16-3-103 (1977 as amended) of its intent to adopt one (1) revised rule, four (4) original rules, and five (5) original forms associated with the four (4) proposed original rules. The proposed revised and original rules will be adopted pursuant to the rule making authority of the Commission.
2. The following rules are proposed or are proposed to be amended: Rule 238. Interruption of Service., Rule 325.; Electric Utility Service Interruption Reporting., Rule 420.; Gas Utility Service Interruption Reporting., Rule 616.; Water Utility Service Interruption Reporting., Rule 252.; Reporting of Damage by Third Parties.; and Rule 901. Forms., subsections (j), (k), (l), (m), and (o). These rules are proposed in order to provide guidance to public utilities as to their duty to report service interruptions and damage to facilities by third parties. Additionally, these rules are proposed in an effort to better track service interruptions, especially those impacting the public safety and welfare.
3. While the Commission currently has a rule governing the reporting of service interruptions (Rule 238), it has become necessary to amend that rule and add rules to specify exactly how each type of public utility is to report service interruptions. The Commission has not previously enacted any rule or rules governing the reporting of damage to utility facilities by third parties. All forms associated with the proposed rules have not previously been in effect.
4. The Commission welcomes all comments and suggestions on these revised and original rules and regulations. Written comments must be received by the Commission no later than the close of business on **January 15, 2008**. Copies of the proposed rules and regulations are available at the Commission's offices in Cheyenne, upon written request, or by accessing the Commission's web site at <http://psc.state.wy.us/> and clicking on Hot Topics.
5. A public hearing will be held if requested by 25 persons, a governmental subdivision or by an association having not less than 25 members. Requests for a public hearing may be addressed to Blair Bales, Assistant Secretary, Public Service Commission, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming, 82002.
6. Any person may urge the Commission not to adopt the proposed revised rule and original rules and also request the Commission to state its reasons for overruling the consideration urged against the adoption of these revised and original rules. Requests for a Commission response must be made prior to or within thirty (30) days after adoption of the proposed revised and original rules, and addressed to Blair Bales, Assistant Secretary,

Public Service Commission, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming, 82002.

7. If you wish to provide comments or suggestions and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427 (Voice or TTY) in Cheyenne during regular business hours or write to them at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may contact the Commission by accessing Wyoming Relay (TTY) by dialing 711. Please mention Docket Number 90000-100-XO-07 in your communications.
8. The proposed rule changes meet minimum substantive statutory requirements.

Notice of Intent to Adopt Rules and Regulations **Docket Number 90000-100-XO-07**

1. The Wyoming Public Service Commission (Commission) hereby gives public notice in accordance with WYO. STAT. § 16-3-103 (1977 as amended) of its intent to adopt one (1) revised rule, four (4) original rules, and five (5) original forms associated with the four (4) proposed original rules. The proposed revised and original rules will be adopted pursuant to the rule making authority of the Commission.
2. The following rules are proposed or are proposed to be amended: Rule 238. Interruption of Service., Rule 325.; Electric Utility Service Interruption Reporting., Rule 420.; Gas

Utility Service Interruption Reporting., Rule 616.; Water Utility Service Interruption Reporting., Rule 252.; Reporting of Damage by Third Parties.; and Rule 901. Forms, subsections (j), (k), (l), (m) and (o). These rules are proposed in order to provide guidance to public utilities as to their duty to report service interruptions and damage to facilities by third parties. Additionally, these rules are proposed in an effort to better track service interruptions, especially those impacting the public safety and welfare.

3. While the Commission currently has a rule governing the reporting of service interruptions (Rule 238), it has become necessary to amend that rule and add rules to specify exactly how each type of public utility is to report service interruptions. The Commission has not previously enacted any rule or rules governing the reporting of damage to utility facilities by third parties. All forms associated with the proposed rules have not previously been in effect.
4. The Commission welcomes all comments and suggestions on these revised and original rules and regulations. Written comments must be received by the Commission no later than the close of business on **January 15, 2008**. Copies of the proposed rules and regulations are available at the Commission's offices in Cheyenne, upon written request, or by accessing the Commission's web site at <http://psc.state.wy.us/> and clicking on Hot Topics.
5. A public hearing will be held if requested by 25 persons, a governmental subdivision or by an association having not less than 25 members. Requests for a public hearing may be addressed to Blair Bales, Assistant Secretary, Public Service Commission, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming, 82002.
6. Any person may urge the Commission not to adopt the proposed revised rule and original rules and also request the Commission to state its reasons for overruling the consideration urged against the adoption of these revised and original rules. Requests for a Commission response must be made prior to or within thirty (30) days after adoption of the proposed revised and original rules, and addressed to Blair Bales, Assistant Secretary, Public Service Commission, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming, 82002.
7. If you wish to provide comments or suggestions and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427 (Voice or TTY) in Cheyenne during regular business hours or write to them at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may contact the Commission by accessing Wyoming Relay (TTY) by dialing 711. Please mention Docket Number 90000-100-XO-07 in your communications.
8. The proposed rule changes meet minimum substantive statutory requirements.
