### ***Notice of Intent to Adopt Rules and Regulations*** **Docket Number 90000-99-XO-07**

---

1. The Wyoming Public Service Commission (Commission) hereby gives public notice in accordance with W.S. § 16-3-103 (1977 as amended) of intent to adopt a new rule and regulation. The proposed new rule will be adopted pursuant to the rule making authority of the Commission and Wyo. Stat. §§ 37-17-101 through 37-17-105.
2. Section 318 of the Wyoming Public Service Commission's Procedural Rules and Special Regulations is being proposed because the 2007 Wyoming State Legislature enacted Wyo. Stat. §§ 37-17-101 through 37-17-105, and specifically under Wyo. Stat. § 37-16-103, which establish a process by which Wyoming RECs may become exempt from retail rate regulation. The Commission previously enacted the following rules: Rule 319. Rate Changes to Maintain Minimum Cash Flow Requirements for RECs; Rule 320.

Nontraditional Regulation for RECs; Rule 321. Rate Change Applications under Nontraditional Regulation; Rule 322. Effective Dates for Expedited Filings; and Rule 324. Pass On Procedures for RECs. These rules would not apply to those RECs who follow the procedures in Wyo. Stat. §§ 37-17-101 through 37-17-105, and become exempted from retail rate regulation.

3. The adoption of this new rule, Section 318, allows the Agency to relate the non-applicability of several Commission Rules to Rural Electric Cooperatives (RECs) that become exempt from retail rate regulation under Wyo. Stat. § 37-17-103.
4. The Commission welcomes all comments and suggestions on this new rule and regulation. Written comments must be received by the Commission no later than **October 15, 2007**. Copies of the proposed rule and regulation are available at the Commission's offices in Cheyenne, upon written request, or by accessing the Commission's web site at <http://psc.state.wy.us>.
5. A public hearing will be held if requested by 25 persons, a governmental subdivision or by an association having not less than 25 members. Requests for a public hearing may be addressed to Steve Mink, Assistant Secretary, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002.
6. Any person may urge the Commission not to adopt the proposed new rule and also request the Commission to state its reasons for overruling the consideration urged against the adoption of this new rule. Requests for a Commission response must be made prior to, or within thirty (30) days after adoption of the proposed new rule, addressed to Steve Mink, Assistant Secretary, 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002.
7. If you wish to provide comments or suggestions and you require reasonable accommodation for a disability, please contact the Wyoming Public Service Commission at (307) 777-7427 (Voice or TTY) in Cheyenne during regular business hours or write to them at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may contact the Commission by accessing Wyoming Relay (TTY) by dialing 711. Please mention Docket Number 90000-99-XO-07 in your communications.

---

1. The Wyoming Public Service Commission (Commission) hereby gives public notice in accordance with W.S. § 16-3-103 (1977 as amended) of intent to adopt a new rule and

regulation. The proposed new rule will be adopted pursuant to the rule making authority of the Commission and Wyo. Stat. §§ 37-17-101 through 37-17-105.

2. Section 318 of the Wyoming Public Service Commission's Procedural Rules and Special Regulations is being proposed because the 2007 Wyoming State Legislature enacted Wyo. The Commission previously enacted the following rules: Rule 319. Rate Changes to Maintain Minimum Cash Flow Requirements for RECs; Rule 320. Nontraditional Regulation for RECs; Rule 321. 4. The Commission welcomes all comments and suggestions on this new rule and regulation. Written comments must be received by the Commission no later than **October 15, 2007**.
