TELEPHONE ASSISTANCE AND LINK UP AMERICA PROGRAMS

Discounted Telephone
Rates for those in
Financial Need

WHAT IS THE TELEPHONE ASSISTANCE PROGRAM?

The Telephone Assistance Program (TAP), also known as Lifeline, is a program to help provide eligible recipients a single residential line at their primary residence. The program offers a monthly discount on local telephone service. All local phone companies in Wyoming offer TAP.

A related program, *Link-Up America*, provides a discount on installation fees of fifty percent (50%), to a maximum of \$30.00, and allows eligible recipients to make no-interest payments on initial connection charges.

HOW IS THE TELEPHONE ASSISTANCE PROGRAM FUNDED?

The Telephone Assistance Program is jointly funded through federal and state programs. The federal portion of the program is funded through the federal universal service fund. The money for this fund comes directly from long-distance phone companies, who may or may not pass the cost on to their customers. Local phone companies, who may also pass part or all of this cost along to customers, pay for the state portion of the fund. These costs do not exceed more than a few cents per month for a typical customer.

AM I ELIGIBLE FOR THESE DISCOUNTED TELEPHONE RATES?

It is estimated that more than 20,000 customers in Wyoming qualify for the Telephone Assistance Program. To qualify for Telephone Assistance or Link-Up America, you must be a local phone customer in Wyoming and be eligible to receive benefits from one of the following programs: Medical Assistance Programs; Personal Opportunities With Employment Responsibilities (POWER); Food Stamps; Child Care, Prescription Drug Program, or the Low Income Energy Assistance Program (LIEAP).

WHAT DO I NEED TO DO TO GET THE DISCOUNTED RATE?

Even if you are eligible, you **do not automatically** receive the benefits of these programs. You must apply for these programs with your local phone company. Applications are also available at Department of Family Services (DFS) field offices listed on the back of this brochure. DFS will work with your local phone provider to re-certify you each year for the program.

WHAT IF I QUALIFY BUT HAVE BEEN UNABLE TO GET THE DISCOUNT?

If you are eligible, but have difficulty obtaining a discounted local service rate or reduced telephone installation charges, you should **first contact your local telephone provider**.

If you still have problems, you can call the PSC for more information or assistance in filing a written complaint. Send a letter that includes the following to the PSC at the address listed below:

- Your name and address.
- Your daytime telephone number or number where you receive messages.
- The name of your local telephone company.
- A complete explanation of the nature of your dispute, problem, or concern.
- The names and phone numbers of telephone company employees who you have spoken to concerning these benefits, and date and time when you talked to them.
- A copy of your bill that shows you are not getting the discounted monthly local charges or reduced service installation charges.
- Any other information that you think will be helpful in resolving your concern or complaint.
