PSC No. 11-165

December 29, 2011

To: Affected Wyoming Communications Service Providers:

On October 27, 2011, the Public Service Commission received written notice from the Wyoming Department of Workforce Services, Division of Vocational Rehabilitation, Wyoming Relay, Telecommunications Relay Service Advisory Committee that the special per access line surcharge described in W.S. § 16-9-209(a) will remain \$0.03 per month, effective January 1, 2012, and continuing throughout 2012.

Under W.S. § 16-9-209(b), when the Public Service Commission receives this notice, it "... shall provide for the inclusion and identification of the special fee on each monthly billing for service provided from each local exchange company and radio communications service provider."

Pursuant to due notice, the Public Service Commission considered the written notice of the Committee at its regular open meeting of December 29, 2011, and directed that all local exchange companies and radio communications service providers, defined in W.S. §§ 16-9-201 through 16-9-210 shall include and clearly identify the three-cent (\$0.03) Wyoming Relay surcharge on customers' bills from and after January 1, 2012, in accordance with provisions of the statute effective immediately.

Sincerely,

Alan B. Minier
