

Streaming Audio Information

- This link will provide you with a live listening experience during the Wyoming Public Service Commission's Open Meetings (Please see calendar page for times.)
- The "headphone" icon on the main page provides a visual means of the streaming audio server's status.
- When **RED** the audio server is unavailable, no streaming audio will be available.

- When **GREEN** streaming audio will be available within several minutes of the scheduled Open meeting OR a streaming session is already in progress and you may click the link to be forwarded to the Streaming Audio Page.

- Once on the streaming audio page if no media begins to stream please refresh the page, audio might not be available yet.
- Our Streaming Audio content works best in Internet Explorer.
- If you prefer to listen to our Live Audio Stream in an alternate player, please copy and paste the address: <http://159.238.23.19:8000/live> in to the player of your choice.
