

Fall River Rural Electric Cooperative, Inc.  
Ashton, Idaho

Original Sheet 11

**RATE CODE 20 (10000-20-CA-13)  
EASY PAY, PREPAID METER RESIDENTIAL SERVICE**

APPLICABILITY:

To residential members, requiring continuous use of electric facilities within Fall Rivers service territory. Other supplemental uses may be served on this rate, provided, however, that supplemental use is in conjunction with the residence, and service from the same facility.

AVAILABLE:

To Members that receive service through one meter for each household consisting of an individual family of one or more persons, have signed an Easy Pay Agreement, and have prepaid at least \$100 toward power.

TYPE OF SERVICE:

Single phase, 60 hertz, 200-amp service at approximately 120/240 volts.

LIMITATIONS:

Service rendered under this Schedule is subject to all the Rules and Regulations of this tariff and general Rules and Regulations of Fall River.

Service under this schedule is not available to any Member who has a life support system in his or her home.

Fall River will furnish, maintain, and own all the prepaid meter equipment.

Rate:

Rates are billed the same as the Residential Service rate code 01.

ADDER:

If a member elects to incur an additional charge for purchase of "Renewable Energy" the charge will be \$ 0.011 per subscribed kWh not to exceed total monthly usage

MINIMUM CHARGE:

The minimum daily charge shall be the monthly Line and System Maintenance Charge, plus any applicable taxes (franchise and sales), prorated on a daily basis.

TERMS OF PAYMENT:

Payment for service shall be made in advance. At such time as the value of the service consumed equals the value of advanced purchases, the Member will have until 11:00 a.m. the following morning (Monday through Friday, excluding holidays) to make additional payment to Fall River. If no payment is received by Fall River by that time, electric service is subject

Original Sheet 12

to immediate discontinuation of service from Fall River until additional purchases by the member are made. Discontinued Members will be required to establish a positive credit balance of at least \$40 before being reconnected. Fall River shall attempt to make actual contact with the member either in person or by telephone, after member verification, before discontinuing service during the cold weather period of November 1 through April 30.

The Easy Pay Option is a voluntary payment plan for Members who would like to make payments for electric service using a prepayment method. Should a Member wish to switch to another authorized payment arrangement with Fall River the Member can do so at any time.

Should the electric service be discontinued, caused by Member's electrical usage having consumed the entire value of the advanced payment, the Line and System Maintenance Charge will continue to be accumulated on Member's account and will be deducted from the member's next advanced payment purchase for electric service. Discontinuation for reasons of non-payment does not release members from their obligation to pay the Line and System Maintenance Charge. After 30 days the account will be considered an inactive account and will be processed as a new account if reconnection of service at the location is requested.

In the event the Member has an indebtedness with Fall River for service previously provided, Fall River may allow the Member to pay the indebtedness or portions of the indebtedness by deducting a portion or all of the indebtedness as a percentage of each prepaid service purchase made thereafter until the indebtedness is satisfied.

In the event the member has an electric service deposit with Fall River at the time the member elects to take service under this Schedule, any amount of the deposit and interest in excess of the outstanding indebtedness will be applied as a credit on member's account unless the member requests the amount be refunded.
