

PUBLIC NOTICE

The Wyoming Public Service Commission (Commission) approved the Application of the City of Torrington (Torrington or the City) for authority to pass on a Power Cost Adjustment (PCA) of $-\$0.004931$ per kWh to its customers. The Commission also approved the proposed avoided cost of $\$0.041923$ per kWh. The Commission's approval is subject to notice, protest, intervention, refund, change, further investigation, opportunity for hearing, and further order of the Commission.

On February 28, 2018, Torrington filed its Application requesting authority to establish a PCA of $-\$0.004931$ per kWh, effective April 1, 2018. This adjustment is due to a decrease in the rates Torrington must pay to acquire energy. The Application further requested authority to adopt an Avoided Cost rate of $\$0.041923$ per kWh. The Avoided Cost rate is calculated by adjusting the cost of power rate from MEAN by line losses.

The average Torrington residential customer using approximately 750 kWh per month may expect a monthly electric bill decrease of approximately \$3.70, before taxes. Actual bills will vary with usage.

Commission Rule Chapter 3, Section 26 allows a utility to pass on to its customers known or projected commodity cost increases or decreases on a dollar-for-dollar basis, subject to public notice, opportunity for hearing, and refund.

Torrington's Application is on file at the Commission's offices, located at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming. The application is available for inspection by any interested person during regular business hours or online at: <http://psc.state.wy.us/>.

Anyone desiring to file a statement, intervention petition, protest, or request for a public hearing in this matter must file in writing with the Commission on or before July 9, 2018. A proposed intervention or request for hearing must set forth the grounds under which they are made and the position and interest of the petitioner in this proceeding.

If you wish to intervene in this matter or request a public hearing that you will attend, or want to make a statement, a protest or a public comment, and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427, or write to the Commission at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications-impaired persons may also contact the Commission by accessing Wyoming Relay at 711. Please mention Docket No. 12000-24-CP-18 (Record No. 14945) in your communications.
