

PUBLIC NOTICE

The Wyoming Public Service Commission (Commission) approved the Application of Cheyenne Light, Fuel and Power Company d/b/a Black Hills Energy (BHE or the Company) to pass on a wholesale gas cost decrease of \$1.1188 per dekatherm (Dth) to its Residential, Commercial and Interruptible rate classes, effective for usage on and after May 1, 2018. Additionally, BHE's TF (firm gas transportation) rate schedule will decrease by \$0.1341 per Dth, and its TI (interruptible gas transportation) rate schedule will decrease by \$0.1392 per Dth. The Commission's approval of BHE's rate changes is subject to notice, protest, intervention, refund, change, further investigation, opportunity for hearing, and further order of the Commission.

The average BHE residential customer using approximately 5.0 Dth in May 2018 may expect a monthly gas bill decrease of approximately \$5.59 or 11.80%, before taxes. Actual bills will vary with usage.

The proposed retail rate decrease will result in a projected dollar-for-dollar decrease in BHE's May 2018 total revenues of approximately \$248,292, using projected sales volumes. The decrease does not change the Company's authorized rate of return.

Commission Rule Chapter 3, Section 26 allows a utility to pass on to its customers known or projected commodity cost increases or decreases on a dollar-for-dollar basis, subject to public notice, opportunity for hearing and refund.

BHE's Application is on file at the Commission's offices, located at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming. The Application is available for inspection by any interested person during regular business hours or online at: <http://psc.state.wy.us/>.

Anyone desiring to file a statement, intervention petition, protest or request for a public hearing in this matter must file in writing with the Commission on or before August 31, 2018. A proposed intervention or request for hearing must set forth the grounds under which they are made and the position and interest of the petitioner in this proceeding. Please mention Docket No. 30005-235-GP-18 (Record No. 14964) in your communications.
