

PUBLIC NOTICE

The Wyoming Public Service Commission (Commission) approved the Application of Montana-Dakota Utilities Co. (MDU or the Company) to pass on a wholesale gas cost increase of \$0.278 per dekatherm (Dth) to its Firm Residential, Firm General Service, Small Interruptible and Large Interruptible customers, and an increase of \$0.279 per Dth to its Optional Seasonal customers, through its Commodity Balancing Account (CBA), effective on and after March 1, 2018. The proposed pass-on increases are attributable to an increase in the overall commodity price. The Commission's approval is subject to notice, protest, intervention, refund, change, further investigation, opportunity for hearing and further order of the Commission.

The average MDU residential customer using approximately 10.3 Dth in March 2018 may expect a monthly gas bill increase of approximately \$2.86 or 4.8%, before taxes. Actual bills will vary with usage.

The proposed retail rate increases result in a projected dollar-for-dollar increase in MDU's March 2018 total revenues of approximately \$79,500, using projected sales volumes. The increase does not change the Company's authorized rate of return.

Commission Rule Chapter 3, Section 26 allows a utility to pass on to its customers known or projected commodity cost increases or decreases on a dollar-for-dollar basis, subject to public notice, opportunity for hearing and refund.

MDU's Application is on file at the Commission's offices, located at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming. The Application is available for inspection by any interested person during regular business hours or online at: <http://psc.state.wy.us/>.

Anyone desiring to file a statement, intervention petition, protest or request for a public hearing in this matter must file in writing with the Commission on or before April 23, 2018. A proposed intervention or request for hearing must set forth the grounds under which they are made and the position and interest of the petitioner in this proceeding. Please mention Docket No. 30013-333-GP-18 (Record No. 14938) in your communications.
