

PUBLIC NOTICE

The Wyoming Public Service Commission (Commission) approved the Application of Black Hills Gas Distribution, LLC d/b/a Black Hills Energy (BHE or the Company) to pass on to its Pass-On Rate [Regulated Rate] Option customers in the Torrington Division a net decrease of \$0.0251 per therm, effective on and after December 1, 2017. The Commission's approval is subject to notice, protest, intervention, refund, change, further investigation, opportunity for hearing, and further order of the Commission.

The average BHE Small General Service Pass-On Rate [Regulated Rate] Option residential customer using a monthly average of 122 therms may expect a monthly gas bill decrease of approximately \$3.07, before taxes, during the rate-effective period of December 2017 through February 2018. Actual bills will vary with usage.

The proposed retail rate decrease results in a projected dollar-for-dollar decrease of approximately \$21,765 in the Company's December 2017 through February 2018 total revenues, using projected sales volumes. The decrease does not change the Company's authorized rate of return.

Commission Rule Chapter 3, Section 26 allows a utility to pass on to its customers known or projected commodity cost increases or decreases on a dollar-for-dollar basis, subject to public notice, opportunity for hearing, and refund.

BHE's Application is on file at the Commission's offices, located at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming. The Application is available for inspection by any interested person during regular business hours or online at: <http://psc.state.wy.us/>.
